

Puzzel Campaigns

Part of the Puzzel Contact Centre Solution

Amplify your communications

Puzzel Campaigns give you the power to connect and engage with your customers on a mass scale. You can create, schedule and deliver personalised email and SMS messages to thousands of customers at once to promote your company's products and spark two-way conversations.

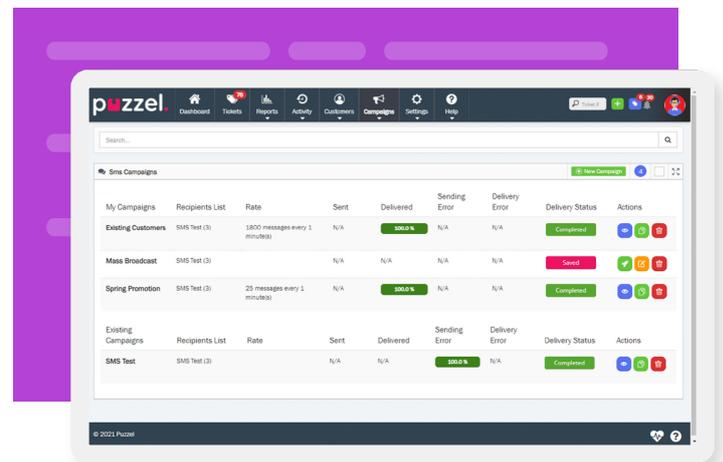

Convenient scheduling

Schedule your email and SMS messages to be delivered at a set time and date in the future, so you can get back to focusing on other tasks.

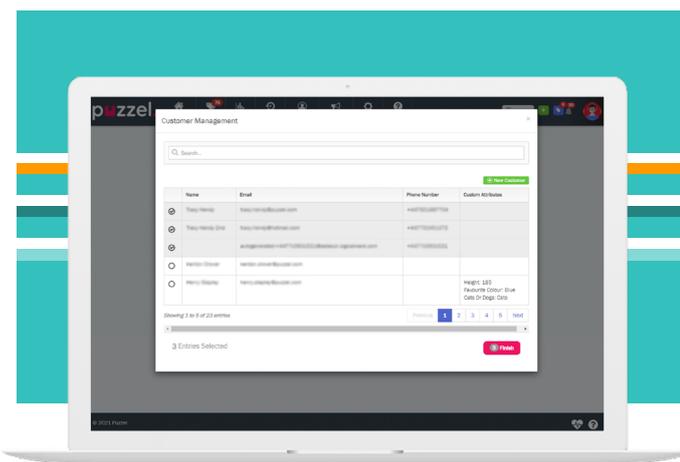

Personalised messages

Create messages that speak directly to your recipients, using their names and details from their customer records to boost opens and clickthroughs.

Targeted lists

Create customised recipient lists for each of your campaigns to reach the right people at the right time and maximise your ROI.

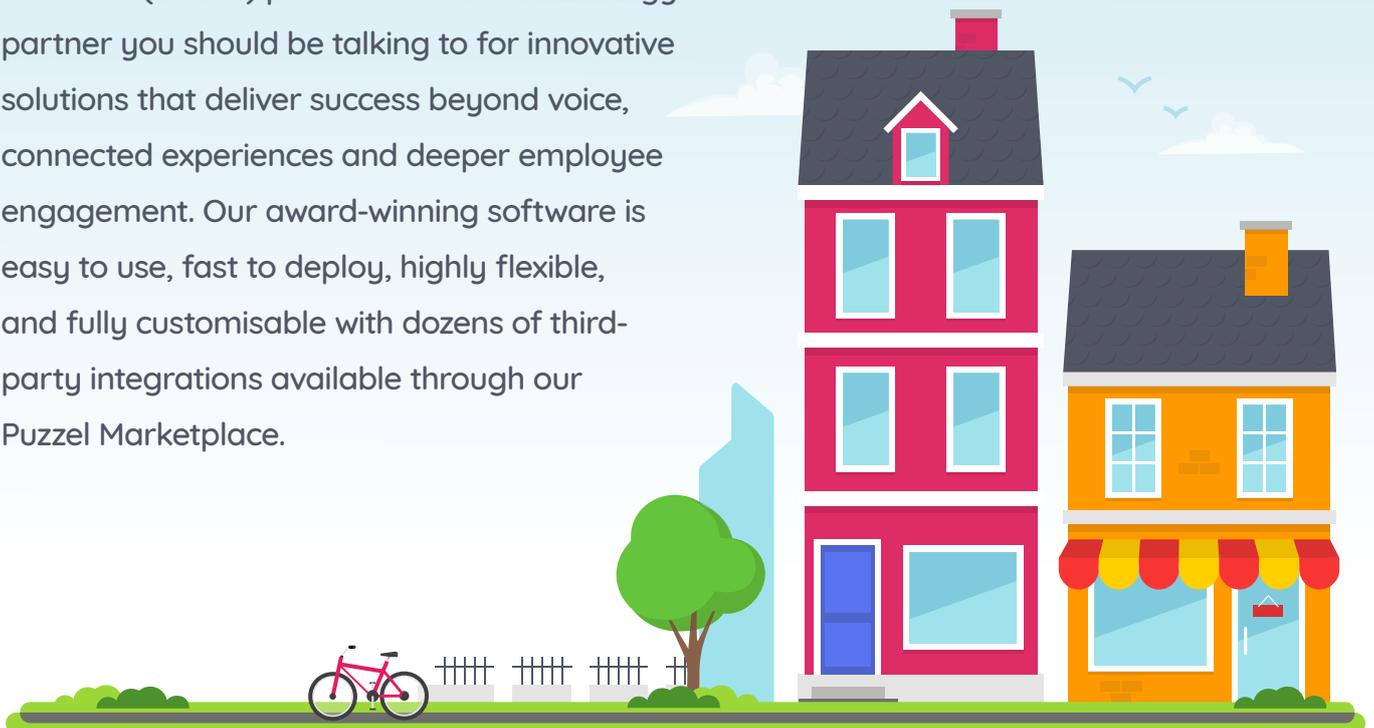

Why contact centres choose Puzzel Campaigns

- ✓ **Preview campaigns**
See how your messages will appear for each individual recipient before they go out to ensure precision and accuracy
- ✓ **Full visibility**
Review and track the statuses of all your email or SMS campaigns in our unified, easy-to-use platform
- ✓ **No size limit**
With no outbound limit, you can send emails with attachments of any size to your customers

About Puzzel

Puzzel is the leading European Contact Centre as a Service (CCaaS) provider and the technology partner you should be talking to for innovative solutions that deliver success beyond voice, connected experiences and deeper employee engagement. Our award-winning software is easy to use, fast to deploy, highly flexible, and fully customisable with dozens of third-party integrations available through our Puzzel Marketplace.
